

Mitered Corners Receiving Blanket

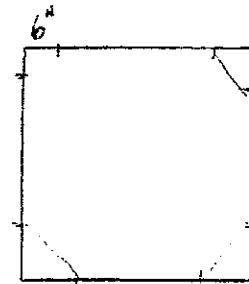

7/8 yard for the center

1 1/8th yard for back

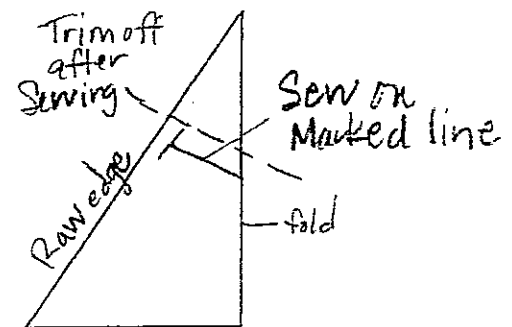

Trim center square to a 30" square

Trim back square to a 40" square

On wrong side of the back fabric make a mark at 6" on both sides of all four corners. Then draw a line connecting the two marks on each corner.

Fold each corner with right sides together. Line up lines on both sides and sew on the drawn line stopping 1/4" from the cut edge of the fabric. Trim off the extra corner fabric. Turn.

Press folded edge to 3" then turn under 1/4" on Raw edge.

If using ric rac, sew ric rac on right side of fabric 1/4" from raw edge on all four sides.

Turn under ric rac and press.

Place center on top of the back with wrong sides together. Tucking the center fabric under the folded over fabric.- Pin- Top stitch all around edge.
