

Cat Changeling Spell

Make these eyes turn glittery gold.
Turn fingers to claws and breath so cold.
Change skin to fur – the darkest black.
Become a cat, and scat, scat, scat!

Stinkin' Pink Spell

Dragon scales.
Fairies breath.
Ogre brains.
Spider eyes.
Add to water to make a drink
To turn this person a fuchsia pink.

Shrinking Spell

Re-size this person!
Make her small!
Make her tiny,
Just one inch tall.

Petrified Person Spell

Light of the Moon,
Oh hear me moan.
Freeze this person
As hard as stone.

Disappearing Spell

I wave my wand from eye to ear
Make me now disappear!

Three Nose Spell

With three claps
I cast this spell.
Take one nose
And make it three.
So let it be.
So let it be.

Turn into a Toad Spell

I flick my cape (such a silken robe)
Then whisper and chant: 'Become a toad.'
Now I'm done. My spell is cast.
My magic's strong and it will last.

Weakening Spell

Pick runny boogers from you nose
Add some jam from between your toes.
Take the lint from your button belly
Now make your legs go weak like jelly.

Sleep Not Spell

Be frenzied now and look wild eyed.
To your side I shall creep.
Keep your peepers open wide.
I seal this hex. YOU WILL NOT SLEEP!

Be Terrified Spell

Goblins, ghosts. I beckon you here.
Moan and wail to all who's near.
Make them shiver. Make them quake.
Make them tremble. Make. Them. Shake!

Bad Hair Spell

Take these tresses long and sweet
Curled so nicely, oh so neat.
What was once such a lovely hair,
Make it now a frightful scare.

Or, make it sprout
and stick straight out.
Such messy hair!
An awful scare!
A shaggy mane.
Where chaos reigns!

Befuddlement Spell

Abbra cadabra and hocus pocus

Make this person lose his focus.
Tweedle de de and tweedle de dum.
Confuse his brain cells – every one!
